

A serene landscape with misty mountains and a calm lake reflecting the scene. The mountains are covered in green vegetation and are partially shrouded in a light mist. The lake is very still, acting as a perfect mirror for the mountains and the sky above. The overall color palette is soft, with various shades of blue, green, and white.

# Ecotourism and Travel

By Philip He

- **My understanding of Ecotourism , travel and value**
- **The Relations between travel and ecotourism**
- **The Benefits of Ecotourism**
- **What are the most urgent needs for Ecotourism**

# Ecotourism , travel and value

Appreciation  
of Nature

Cultivating a  
seed of love

A way to  
show our  
beautiful  
inner-self.

# The Relations between travel and ecotourism

# The Benefits of Ecotourism

nature

- Building a friendly environment
- Nurture the seed of love

us

- Enrich our life
- Good attitude about ourselves

travel

- Raise the value of a trip
- Meet the diversified needs

# What are the most urgent needs for ecotourism

Nurture the good NGOs

Training of personnel

Financial input

Awareness from  
administrators

Thank you!
